**QL2 Ranks 1208 on the 2009 Inc. 5000 List of
America's Fastest-Growing Private Companies**

Seattle, August 13, 2009 -- *Inc.* magazine today ranked QL2 (www.ql2.com) #1208 on its third annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs.

"Savvy trend spotters and those who invest in private companies know that the Inc. 5000 is the best place to find out about young companies that are achieving success through a wide variety of unprecedented business models, as well as older private companies that are still expanding at an impressive rate," said Inc. 5000 project manager Jim Melloan. "That's why our list is so eagerly anticipated every year."

QL2 Data-as-a-Service (DaaS) solutions gather data from the web and other structured and unstructured sources, and deliver it in real time. QL2's data empowers companies to make strategic, competitive business decisions in dynamic industries where a 360-degree view of the market, agility and rapid change are crucial to their success.

"We are honored to be recognized by Inc. Magazine for the third year in a row," said Russ Aldrich, CEO, QL2. "Our continued presence on the Inc. 5000 is further evidence of the business value that our innovative technology and services offer our customers."

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found on Inc.com.
